

NH Charter School Advisory Committee Meeting
April 8, 2014
State Board Room - NHDoe
10:00 AM

The committee will not meet pending a review of the committee's status.

Prior to the meeting, questions arose pertaining to the committee's role/charge:

1. Is the committee a public body that must follow open meetings rules, including rules related to e-mail communication with a quorum?
2. Was the committee created via statute (RSA 194-B:17 or other) and if so, does it report to the Charter School & Open Enrollment Legislative Oversight Committee?
